

**Fields to complete in bold**

*Links, click options and uploads in italics*

**Personal Information:**

Surname:

First name:

Email address:

Organization:

Organization address:

**Short CV upload:** *please upload a short CV (1 page max)*

**Title:** Please provide a (working) title of your manuscript.

**Abstract (300 words max):**

Please provide a short abstract of the topic of your research. The abstract should state the key hypothesis/ premise of the manuscript, the methodology of the research, and the main findings.

**Status of the manuscript:**

*What is the status of your manuscript? Please note that only research that is in the write-up stage can be considered.*

*Please choose one of the following:*

*Zero draft: data collection has been concluded and preliminary analysis completed, research notes have been consolidated.*

*First draft: a first complete draft of the manuscript exists or significant sections have been drafted.*

*Full draft for finalisation: a full draft has been completed and requires further improvement and finalisation for submission.*

*Other: if the above options do not apply to your study, please tick this box and describe the status of your research and what support may be required.*

*(Add field for this text: words max)*

Which part of your manuscript still requires work and what kind of support would help you finalise it? (max 50 words)

**Academic and personal motivation to apply (250 words max):**

Please provide a short statement, explaining why you wish to apply to the programme and how your research contributes to a better understanding of the link between your research and climate, peace, and human mobility. Let us also know why you think you are a good fit for the programme and what your personal motivation is.

**Anticipated benefits from the Academy (200 words max):**

What specific benefits do you anticipate from participating in this academy program? How do you expect this program to help you succeed in publication of your research and in your overall career development?

**Contribution to the global debates (200 words max):**

How do you think your study can inform the national policy environment in which your research is situated, and what does it contribute to the global debate on climate, peace, and human mobility?

**Writing sample:**

*Please upload an excerpt of the draft manuscript (maximum 1000 words/ 2 pages). Should you not have a draft manuscript, please share a writing sample from one of your recent publications/papers (maximum 1000 words/ 2 pages).*

**Published research:**

*Have you already published any of your research? If yes, please provide up to three links:*

Yes / No

(Add field to submit relevant links, if Yes)

**Ethics approval**

*Has the research been approved by the Ethics Committee of the relevant Faculty or board (if applicable)?*

Yes / No / not applicable

**In-person participation**

*Are you available to participate in the in-person Academy 2024, to be held at MMUST in Kenya in October 2024?*

Yes/ No
